

Board of Commissioners

Work Session Agenda

Monday, April 8, 2019 –2:00 p.m.
Wake County Justice Center, Room 2800

MEETING CALLED TO ORDER: Chair Jessica Holmes

I. Transit Oriented Development

Nicole Kreiser, Assistant County Manager

Tansy Hayward, Assistant City Manager, City of Raleigh

Wake County, municipalities, and other transit partners have adopted approaches to planning and development that integrate transit concepts with housing programs and growth. Staff from Wake County and the City of Raleigh will share the concepts of transit-oriented development (TOD), current TOD initiatives, and next steps for Wake County to support these efforts.

III. Information Services Security Update

Bill Greeves, Chief Innovation and Information Officer

Increasingly, hackers attack local governments with ransomware and email scams. Elected officials may be targeted for these attacks because of their importance within the organization. Staff will review recent significant online attacks and how the County mitigates this threat, then provide the Commissioners specific instruction to avoid email scams.

IV. Implementing Population Health

Regina Petteway, Human Services Director

In November 2018, the Board of Commissioners received a report from the Population Health Task Force that included a wide array of concepts and ideas to address public health improvements. The Board instructed staff to bring back an implementation plan that prioritized the task force recommendations, set targets, and included accountability measures. Staff will update Commissioners on these efforts.

V. Committee Reports and Topics Advanced to Work Session

A. Report from Great Government Committee

1. Policy Workflow – In its March meeting, the Great Government Committee heard a staff proposal to operationalize how individual Commissioner ideas and Board goals navigate through the policy creation process. Committee members discussed the item and voted to bring the proposal forward to the full Board. Staff will discuss the proposed policy workflow and recommend next steps.

B. Report from Growth and Sustainability Committee
