P.O. Box 550  
Raleigh, NC 27602

Dear Ms. Gilyard:

Section 14.4.A.1.a.ii of the Knightdale Unified Development Ordinance states *"If despite good faith efforts, enough residents of the ETJ cannot be found to fill the seats reserved for residents of such area, then the Wake County Board of Commissioners may appoint other residents of the county (including residents of the Town) to fill these seats."*

The Knightdale Town Council made a good faith effort to obtain candidates for the ETJ vacancy on the Land Use Review Board. After running advertisements on social media and the website for over four weeks, no ETJ applications were received. The Knightdale Town Council would like to respectfully request appointment of the following in-town resident to the Land Use Review Board in place of an ETJ member:

Tiffanie Meyers  
4507 Charismatic Dr.  
Knightdale, NC 27545  
Term expires: February 28, 2021

Please contact me should you have any additional questions about the Land Use Review Board or the recommended appointee.

Sincerely,

Heather M. Smith  
Town Clerk
