

Item Title: Waiver of Certain Wake County Development Permit Fees Related to Storm Damage Occurring on May 13, 2019

Specific Action Requested:

That the Board of Commissioners waives certain development permit fees as a result of damage incurred by storms impacting Wake County on May 13, 2019.

Item Summary:

Purpose: The Board of Commissioners have the authority to waive development fees assessed by Wake County

Background: On May 13, 2019, Wake County endured the impact of severe storms. The high winds and hail resulted in property damage in several areas of the County. In past instances of property damage due to a significant weather-related event, the Wake County Board of Commissioners have waived certain development permit fees. Property owners who require a building/trade permit or on-site well/septic/sampling permit from Wake County as a result of damage incurred by these storms will not be required to pay the permit fees. The permit fee waiver is valid until September 1, 2019.

Board Goal: This action does not relate to a specific Board initiative.

Fiscal Impact: No fiscal impact as the lost revenue from permit fees related to the weather event were not included in revenue projections.
