WHEREAS, as part of Project, the at-grade railroad crossing located on Carpenter Fire Station Road and to the east of NC 55 was closed, which caused Carpenter Fire Station Road to no longer be a continuous road; and

WHEREAS, to enhance public safety response, the Remnant needs to be named; and

WHEREAS, the Remnant lies within the unincorporated limits of Wake County, so Wake County is the entity with the authority to rename the Remnant; and

WHEREAS, after having given full and complete consideration to the matter, it now appears to the satisfaction of the Town Council of the Town of Cary that Wake County should rename the Remnant to Bandelier Lane due to it having the support of affected property owners and furthering the purposes of public safety; and

WHEREAS, North Carolina General Statute § 153A-239.1(a) authorizes a county to rename any road within the county and not within a city by means of an advertised public hearing before the board of commissioners, whereupon the local postmaster, Board of Transportation, and any city within five miles of the road is notified of the approval; and

WHEREAS, the Town of Cary Planning Department, Wake County Addressing/E911 Team, approved the availability, appropriateness, and use of the name Bandelier Lane on March 29, 2017 for the segment of SR 1624 extending from the intersection with Morrisville Carpenter Road west to the CSX Railroad right of way; and
