Wake County Justice Center, Room 2800

Committee Members: Vickie Adamson, Chair
Greg Ford, Vice-Chair
Susan Evans

Meeting Called to Order: Vickie Adamson, Chair

I. Fuquay-Varina Public Art Project

Mark Forestieri, Facilities Design and Construction Director
Randy Walker, Commissioned Artist

The Board of Commissioners adopted a Public Art Policy in late 2016. The policy commits 1% of construction cost to art elements for selected public facilities. The new Fuquay-Varina Library is the first application of the policy. Staff will share an update on the selection and design process, the proposed art piece, and next steps. Staff ask the committee to receive the information and share any feedback on the process.

II. Marbles Kids Museum Future Expansion Plans

Sally Edwards, Marbles
Mark Forestieri, Facilities Design and Construction Director
John Zellweger, Clearscapes

Marbles is planning a significant expansion and renovation. As the owner of the Marbles campus, County staff have been involved in this planning process since its beginning. Staff will review the County's historical relationship and funding history with Marbles. Marbles staff will then review the organization's facility needs and expansion plans. County Staff ask the committee to receive the information and share any questions.
