Memorandum

To: Board of County Commissioners
From: Emily Lucas, Chief Financial Officer
Date: May 31, 2019
Re: Interim Financial Statements

Attached to this memorandum are the interim financial statements for April 2019. These interim statements are published by Wake County Finance Department on a monthly basis, except for the months of June and July. Because of the year-end close, interim financial statements are usually not prepared for those months. After the Finance Department closes the month, the interim financial statements are prepared over the next two weeks. The Board of Commissioners, the County Manager, the Chief Operating Officer, and other key management personnel generally receive interim financial statements for the preceding month.

The financial information included with this memorandum is on the cash basis, they are “Non-GAAP” statements that are prepared directly from the County’s accounting system. No monthly adjustments or accruals are included on these interim statements; those types of adjusting entries are posted at the end of the fiscal year. Year-to-date financial information is included for the County’s General Fund, along with operating revenues for the Solid Waste Operating Fund, the South Wake Partnership Fund, the Fire Tax Operating Fund, and the Major Facilities Fund. In addition, monthly yield information concerning the County’s investment portfolio and the status of bond proceeds on hand at month-end is included.

Please let us know if you have any questions or comments about these statements. If you would like additional information, please contact me at 856-5447.

GENERAL FUND REVENUES BY TYPE

Actual Year to Date

^ Beginning in 2018 the County no longer passed through child care subsidy payments from the State of NC. This attributed to the decrease of intergovernmental revenues.

¹ Housing & Community Revitalization was broken out of the Human Services's department into its own department for FY2019.

² Public Safety Communications is currently overbudget due to timing of departmental chargebacks. Once the chargebacks are posted, the overexpenditure should be remedied. made until later in fiscal year 2018 which is why there is a large decrease in budgeted contracted services.

³ The FY19 adopted budget included a \$7.4 million reserve allocation for Wake County Public Schools in Other Expenditures. \$2 million was set aside to support social and emotional learning initiatives which was approved in September 2018 and moved to the education budget. \$5.4 million was set aside for the enrollment reserve. Of this amount, \$449 thousand was approved in March 2019 and moved to the education budget, leaving \$4.9 million remaining in the reserves. This attributed to the increased budget in FY19.
