

Board of Commissioners Public Safety Committee Meeting Agenda

Monday, August 19, 2019 - 10:00am

Wake County Justice Center, Room 2800

Committee Members: Matt Calabria, Chair
Jessica Holmes, Vice-Chair
Greg Ford

Meeting Called to Order: Matt Calabria, Chair

I. Approval of the Minutes of the Board of Commissioners Public Safety Committee Meeting on July 8, 2019.

II. Briefing from the Juvenile Crime Prevention Council
Eric Johnson and Beth Nelson, JCPC Chairs

The Juvenile Crime Prevention Council's mission is to address the needs of youth at risk for juvenile delinquency and gang involvement through assessment, advocacy, education and promotion of effective services. Staff and JCPC members will brief the committee on the Council's membership, funding, partnerships, and programming. The briefing will also review how the JCPC measures outcomes, and preliminary observations of how "Raise the Age" legislation will impact services.

1. Presentation
2. List of JCPC membership

III. Healing Transitions Facility Plans
Chris Budnick, Healing Transitions

Healing Transitions is a nonprofit that operates shelters for men and women and provides residential substance abuse treatment services. Staff from Healing Transitions will provide background and context about the need for expanded facilities and plans for an expansion. Healing Transitions is requesting the County provide capital support for the expansion project.

1. Presentation

IV. Gun Violence in Wake County

Commissioner Matt Calabria

Commissioner Calabria has gathered information about gun fatalities and accidents generally, and, where available, about Wake County specifically. The Committee will review the data and discuss potential ways that Wake County government could address the risk of gun fatalities and injuries.

Attachments:

1. Report from Abby Boettcher, Intern
2. Descriptive facts gathered by County staff
3. Maps of EMS incidents

V. Upcoming Meeting Schedule and Topics

Committee Members

The Public Safety Committee's next meeting is currently scheduled for October 7. Committee members will discuss future topics and if there is need for additional meetings.
