We are descendants of the deceased buried in the Griffin Family Cemetery located 2726 Derby Glen Way within the Avalyn subdivision in New Light Township. We have been cooperating with the owner/builder of the Avalyn subdivision (Silvermist Investments LLC) with their proposed plan to relocate the cemetery.

The family cemetery may contain approximately fourteen of our relatives. The only grave with an inscribed headstone is Richard Nowell Griffin, who is our great-grandfather. It is our preference to relocate the remains of our great-grandfather to the family plot at Wake Union Baptist Church Cemetery at 13345 Wake Union Church Road in Wake Forest (PIN 1841097787). He will not be alone. Within the cemetery plot rests his daughter (Minnie Bell Griffin Honeycutt), two granddaughters, (Lizzie Estelle Honeycutt Hicks and Eva Belle Honeycutt Beckman), and one great grandson (Charles Morris). In addition, Richard N. Griffin's grandson, Ollie P. Honeycutt, and a great-grandson, Julian Ollie Honeycutt, are buried in a separate plot at Wake Union Baptist Church.

We would prefer to relocate all the remains to our church cemetery, but there is only one family gravesite remaining, and there are no other plots available for purchase. We would like the other remains in the family cemetery reinterred at the Wake Forest Town Cemetery located at 400 North White Street in Wake Forest (PIN 1841622963).

We would greatly appreciate it if the Commissioners would grant our request for our great-grandfather's remains to be moved to the family plot at Wake Union Baptist Church Cemetery, and the other remains to the Wake Forest Town Cemetery.

Thank you very much for your consideration.

Respectfully,

Name - Lynda Hicks Creutzburg
