

Wake County Commissioners Jessica Holmes, Chair
Greg Ford, Vice Chair
Matt Calabria, Sig Hutchinson, Susan Evans, James West,
Vickie Adamson

My name is (Mary) Joy Daubenspeck. I reside at 2505 Johnny Baker Rd.

Wake County Commissioners thank you for your continued service to the citizens of Wake County. Each of you has an important and challenging responsibility. I appreciate the time and consideration you give to each citizen who appears before you whether it be in support of or opposing a particular agreement, amendment, request, or resolution.

Under your own Wake County Board of Commissioners - 2019 Goals, Objectives, and Initiatives
Growth and Sustainability

You identify this Goal : Establish a deliberate and realistic approach to address growth and mobility while preserving our environment and enhancing our quality of life.

GS3.2 : Encourage farmland preservation

Public Safety

You identify this Goal : Provide a safe, secure and healthy community through coordinated, efficient, and effective public safety services

PS1.1 : Establish a County-wide standard for fire service in the unincorporated areas and develop a plan to achieve and sustain agreed upon service levels.

As you advocate solutions for the citizens of Southern Wake County, please consider these goals, objectives, and initiatives which you established at the beginning of this current term. Weigh how your vote impacts these very issues you outlined as the cornerstone of your path forward this year.

May my presence here today serve as a reminder to you our Wake County Commissioners, you are not bound by policy. You do have the power to advocate change. In America we can elect the people who create the laws which impact our lives daily unless we are forced into a scenario where these inalienable rights are revoked.

Preserve and maintain the rural and historic character of our part of South West Wake County. Show our citizens you uphold our rights to vote for officials who govern our properties. Vote NO to current and future ETJ Expansion requests.

Thank you for your time and consideration!
