Public Hearing – Community Transportation Grant

Wake County Human Services operates GoWake Access Transportation which provides approximately 196,000 trips annually to the following groups:

- **Non Emergency Medicaid:** Medicaid recipients receive transportation to and from medical appointments. This is a mandated service.
- **Elderly and Disabled:** A grant to provide operating assistance for the transportation of the state's elderly and disabled citizens.
- **Employment:** A grant to provide services to those who have transitioned off Work First or Temporary Assistance to Needy Families in the previous 12 months. Funds can also be used by the members of the general public to travel to work, and employment related services.
- **Rural General Public:** A grant to provide transportation services for individuals from the County who do not have a human service agency or organization that will pay for transportation service. The passenger's origin or destination must be in a rural area.
