

# Board of Commissioners Human Services Committee Meeting Agenda

Monday, December 2, 2019 – 2:00 PM

Wake County Justice Center, Room 2800

---

Committee Members: James West, Chair  
Vickie Adamson, Vice-Chair  
Greg Ford

Meeting Called to Order: James West, Chair

**I. Approval of the Minutes of the Board of Commissioners Human Services Committee meeting of October 28, 2019**

**II. Healthy and Thriving Babies and Moms/Infant Mortality Update**

*Regina Petteway, Human Services Director*

*Paige Bennett, Human Services Management and Policy Analyst*

*Dorothy Cilenti, DrPH, UNC Gillings School of Global Public Health*

Board of Commissioner (BOC) goal CH 2.4 recommends assessing existing programs and identifying gaps to develop and implement a comprehensive plan to support healthy and thriving babies and moms. BOC goal SEV 2.2 recommends developing and implementing strategies to reduce disparities in infant death among vulnerable populations. Significant steps have been taken towards accomplishing these goals and this report will provide an update of efforts achieved.

**III. Live Well Wake Update**

*Regina Petteway, Human Services Director*

*Paige Bennett, Human Services Management and Policy Analyst*

*Dorothy Cilenti, DrPH, UNC Gillings School of Global Public Health*

In May 2019, the Population Health Task Force and Community Health Needs Assessment were integrated and aligned to create Live Well Wake to develop a continuous cycle of setting priorities and planning for shared priorities. The transition is well under way and this report will provide a six-month update on progress made to date as well as next steps in the transition.

#### **IV. Vaping and Smoking Update**

*Dr. Kim McDonald, Medical Director*

*Catherine Mulvihill, Public Health Educator*

Numerous efforts have been taken over the years to address smoking prevention, and most recently the epidemic of teen vaping. This report will provide an update on the efforts to date and some of the strategies going forward to address these public health issues.
