Memorandum

To:Board of County CommissionersFrom:Emily Lucas, Chief Financial OfficerDate:December 31, 2019Re:Interim Financial Statements

Attached to this memorandum are the interim financial statements for November 2019. These interim statements are published by Wake County Finance Department on a monthly basis, except for the months of June and July. Because of the year-end close, interim financial statements are usually not prepared for those months. After the Finance Department closes the month, the interim financial statements are prepared over the next two weeks. The Board of Commissioners, the County Manager, the Chief Operating Officer, and other key management personnel generally receive interim financial statements for the preceding month.

The financial information included with this memorandum is on the cash basis, they are "Non-GAAP" statements that are prepared directly from the County's accounting system. No monthly adjustments or accruals are included on these interim statements; those types of adjusting entries are posted at the end of the fiscal year. Year-to-date financial information is included for the County's General Fund, along with operating revenues for the Solid Waste Operating Fund, the South Wake Partnership Fund, the Fire Tax Operating Fund, and the Major Facilities Fund. In addition, monthly yield information concerning the County's investment portfolio and the status of bond proceeds on hand at month-end is included.

Please let us know if you have any questions or comments about these statements. If you would like additional information, please contact me at 856-5447.

¹Public Safety Communications is currently overbudget due to timing of departmental chargebacks. Once the chargebacks are posted, the overexpenditure should be remedied.

² FY2020 decreased from the prior year due to a FY2019 reserve allocation of \$7.4 million to Wake County Public Schools.

³Variance in current year expenditures is due to the timing of contractual committments entered into early in FY2020.

⁴ Transfers in FY2020 are higher than FY2019, primarily due to a transfer of \$44.6 million to County Capital CIP and \$13 million to Housing CIP.
