Program Summary / Item Description (1 of 2)

Program Elements:

Life Cycle (Building/Site):

- Washington ES Gym HVAC
- Wake Forest HS Stadium Bleacher Replacement & Track Repair/Replacement
- Brassfield ES Concrete Foundation Repair/Replacement
- Life Cycle Furniture Replacement
- Other Projects Currently Being Planned and Prioritized

Educational Equipment:

- > 50% Computer Equipment
 - Laptop Carts and Laptops
 - Projector/Screen Professional Learning/Facilitative Equipment for HS Auditoriums
- > 50% Academic Equipment
 - Science Lab Equipment
 - Music Equipment and Instruments
 - Performing Arts Stage Equipment
 - Career and Technical Equipment
 - Sound/Lighting Upgrades

Program Summary / Item Description (2 of 2)

Program Elements:

Technology Infrastructure:

- > 30% Wireless Network Expansion
- > 30% Backup Power Issues for Critical Network Links
- > 20% Network Cabling Upgrades
- > 20% Remediate First Responder Radio Coverage Issues

Security:

- ➢ 64% Security Camera Upgrade to IP
- 21% S2 Security Global Access Control
- > 10% Visitor Management System
- > 5% Video Management Software migration from IP Configure to Orchid/Fusion
