Interests & Experiences

Why are you interested in serving on a Board or Commission?

A few years ago, I attended a State of the Town address. Sitting in the council room, I felt at home and comfortable. I knew from that moment that I had a passion for government, politics, people and law. I believe that serving on a Board or Commission would not only provide invaluable hands on experience but I would be able to affect positive change in my community. I firmly believe that as a voter and citizen, my greatest responsibility is to actively participate in local and state government whenever possible. While I may be young, I can assure you I could be a great asset and provide new ideas and solutions. I am reliable and dedicated, with a proven track record of phenomenal work ethic. I hope to one day serve as a U.S. Senator and view this as my first step towards my goal.

Work Experience

I worked last election cycle as an Intern for the North Carolina Republican Party and volunteered extensively on John Adcock's House campaign. Furthermore, I worked as an intern for Goodwin Weber PLLC last summer in Washington D.C. My duties included case theory development, trial preparation, and research as I worked directly on the Manafort federal fraud case that went to trial last August.

Volunteer Experience

I volunteer frequently as an attorney for North Carolina Teen Court and am scheduled to represent Wake County at the annual Teen Court summit. Additionally, I am a certified member of Wake County Board of Election's Multi-Partisan Assistance Team and volunteered during the 2018 midterm elections to register voters and witness, sign, and secure ballots for transportation.

Education

I have the equivalent of an associate's degree from Wake Technical Community College and plan to transfer to a 4-year university in the fall. I will graduate high school Summa Cum Laude with a 4.6 weighted GPA and over 150 hours of community service.

Comments

I am very passionate with goals of success and drive to achieve. Thank you for taking time to review my application and I hope you consider me for a position.

To whom it may concern,

It is with great pleasure that I offer this recommendation for Brianna Fanning. I have had the opportunity to work with Brianna in a variety of educational settings. This experience leads me to conclude that she is an outstanding and motivated student who will likely succeed in any setting she is placed.

I am a member coach with the National Speech and Debate Association, and I currently coach and lead a competitive forensics' club for homeschoolers at Colonial Baptist Church in Cary, NC. This group participates in a variety of competitive activities including: NCFCA homeschool speech and debate, NSDA public school speech and debate, and NC Advocates for Justice Mock Trial competitions. Brianna has actively participated in many of these activities and she has consistently and persistently demonstrated the highest standards of academic excellence. Her success in competitive forensics has confirmed the fact that she is an intelligent and gifted communicator. In addition to her competitive success, Brianna has demonstrated strong leadership skills by serving and assisting me as the Captain of our Mock Trial team. Brianna knows how to demonstrate and set an example for our new members. She is quick to offer support and encouragement to the adults and to her peers. She has a natural charisma that allows her to challenge others to rise above their fears and insecurities.

In addition to serving as Captain, She has earned awards that set her apart as a outstanding competitor. Brianna has a strong understanding of the justice system and she never fails to impress me with her ability to communicate persuasively and intelligently to judges and jurors who have scored and evaluated her skills.

I honestly cannot say enough to adequately qualify and extol the merits of this outstanding young woman. In short I give Brianna my highest recommendation and I feel certain that she will be an outstanding representative for your program. You are welcome to contact me if you have additional questions that need to be answered.

Sincerely,

Sue Gray, Ms. Ed

Interests & Experiences

Why are you interested in serving on a Board or Commission?

Most of my volunteer work to this point has been indirect, at this point in my life I'm looking to have a more direct impact on my community and on policy. Volunteering for a citizens advisory commission seems like a natural fit.

Work Experience

I've worked for Microsoft for the past 13 years, during that period I've worked on some of the toughest and most complex areas in the company. Currently I work on the backend code generation team for the C++ compiler, and before that I worked on the database storage engine for Microsoft Outlook, mostly on performance related issues.

Volunteer Experience

I currently serve on my communities HOA board and am a member of the Council of Review board for NCDP.

Education

MBA (with a concentration in IT Management) and a BS in Computer Science

Comments

Also of note; I'm a remote employee with a flexible schedule.

Interests & Experiences

Why are you interested in serving on a Board or Commission?

To improve the fire services for the unincorporated areas of the county. Since a large portion of calls are EMS related, my knowledge of Healthcare Informatics may serve to be useful. Though retired, I still have access to people and resources that could be useful in understanding HIPAA and other arenas, as they relate to Fire Services.

Work Experience

Extensive experience in developing and growing medical software companies. Have been an equity partner, working internally to grow and develop these companies, to be leaders in the industry. Three of these companies have been grown to nine figure valuations. During retirement I have developed a company specializing in real estate development. I have experience in zoning, variances, special use, vested rights, local government authority, and quasi-judicial boards.

Volunteer Experience

Have worked with YMCA of the Triangle, in their Y Guides Program and also with Camp Seagull and Camp Seafarer. Have worked with the Inter-Faith Food Shuttle. Have assisted the Junior League with their Bargain Box Thrift Store. Served on the Board of Advisors for the Western Carolina University School of Business.

Education

Bachelor of Science Business Administration with a concentration in Management, Western Carolina University, Class of 1973, Graduated cum laude with 3.43 out of 4.0 GPA.

Comments

I would appreciate the opportunity to serve the citizens of Wake County. When I take something on, I don't do it half way. I will devote the time, effort, and resources to achieve success.

Comments

Every mentor I have ever looked up to has in some fashion served their community. If given the opportunity to serve on a board or commission for Wake County I will do so with the responsibility necessary. My grandfather served on the Chatham County Board of Commissioners for several years then went on to be the Chairman. We have spoke in great detail about the roles and fiduciary responsibilities it takes to serve your community. I appreciate the opportunity to fill this application out and look forward to seeing what the future holds.
