

Board of Commissioners Retreat, Day 1 Agenda

Thursday, January 7, 2021 - 9:00 AM
Meeting Held Remotely

1. Welcome and Opening – Chair Matt Calabria

2. Day One Overview
George Alwon, Facilitator

The retreat facilitator will briefly review goals for today's agenda, establish ground rules, discuss meeting logistics (i.e., scheduled breaks), and answer process questions.

3. Demographics Presentation
Sharon Peterson, Long Range Planner and Bill Shroyer, Senior GIS Analyst

Long Range Planning staff will review recent demographics and community indicators for Wake County. Information includes population characteristics, employment trends, and other social insights affecting Wake County residents. Demographics will provide context for retreat discussions on January 8th and January 29th. Commissioners will receive the information and ask questions.

4. Stronger Together
George Alwon, Facilitator

First, the Board and Facilitator will review what the Commissioners want from the retreat and their responses to what the Commissioners should be mindful of during 2021. The group will then cover the Commissioners' Team Report that shows how they can build on each others' strengths. The Board will review Communication Tips, Value to the Commission, and our Ideal Environment. Finally, we review suggestions for Collaboration.
