What they said...

• From Justice Theater Project: "How amazing is this? We all have jobs until June, and so will every artist that works for us. In addition, art is being created and shared with the world. Thank you for supporting the arts in such an outstanding way! I love that it goes directly back to the people of Wake County in so many ways."

From El Pueblo: Thank you so much for this amazing news! I appreciate all the
work you all did to pull this together so quickly and to reach out to
organizations individually to ensure that we could all take advantage of these

2019 WCPSS Writer Residency w/Kelly Starling Lyons

Hi Julia and Dave,

I just wanted first of all to thank Dave and Donna for a truly wonderful experience for our students and school this week. Donna's storytelling is such a gift and was the perfect injection of life and magic during a wet, gray virtual week of school. On a personal note, I have kids in two grades that got two different sets of stories, and they both were enthralled. I also had the pleasure of listening to both of them discussing the stories and Donna's incredible narrative gifts with their friends afterwards -- a true sign that she made a mark and that the performance was a memorable one.

...Working with you was a delight, and I am grateful.

Thank you both, and enjoy the long weekend!

Warmly,

Carroll (she/her)
