Section 2: AUTHORIZATION TO TRANSFER POSITIONS. The County Manager, or his designee, is hereby authorized to transfer and/or reclassify full-time equivalent positions within the same fund.

Section 3: INCREASE IN AUTHORIZATION. With the exception of changes allowed through Section 2, any changes to the full-time equivalent (FTE) amounts authorized in Section 1 of this ordinance must be approved by the Board of Commissioners.

Section 4: SALARY SCHEDULE. The salary minimums, midpoints and maximums are hereby established for the salary schedule effective July 1, 2021.

Effective July 1, 2021, Wake County pays a Living Wage of \$17.33 hourly or \$36,046 annually. While some of the lower ranges in our Market Range structures reflect a Range Minimum that falls below this rate, no regular employee shall be paid less than the Living Wage.

Section 5: POSITION CLASSIFICATIONS. The County Manager is the Chief Personnel Officer and has delegated the authority to administer and maintain the position classification plan to the Human Resources Director.

Section 6: LIVING WAGE POLICY. It is the policy of Wake County that persons working for the County as regular employees whose scheduled hours exceed 1,040 annually be paid as further described in this Section.

- a. Eligibility: The County shall pay all regular employees an amount equal to or greater than the Minimum Wage Rate as defined in Section 6.A(c). A regular employee is defined as being in a Board authorized position and having regularly scheduled straight-time hours in excess of 1,040 hours.
- b. Emergency Medical Positions: Employees working in emergency medical positions with scheduled overtime will be considered to have met or exceeded the Minimum Wage Rate if their calculated gross annual salary (i.e. straight-time hourly rate times scheduled straight-time hours plus one and one-half times straight-time hourly rate times scheduled overtime hours) is greater than or equal to the Minimum Wage Rate times 2,080 hours.
- c. Wage Rate Calculation: The Universal Living Wage Formula Calculation used by the County is based on a four-year average housing cost of a One Bedroom according to Housing and Urban Development's (HUD) Fair Market Rents in the Raleigh MSA, less \$1.50 an hour credit for health insurance. On January 1 of every year, the County's current Living Wage Rate is compared to the calculated amount to determine if an adjustment is needed.

- d. The Living Wage Rate for FY 2022 shall be seventeen dollars and thirty-three cents (\$17.33) per hour (\$18.83 less \$1.50 credit for health insurance).
- e. Annual Adjustment: The County Manager shall calculate or cause to be calculated the Minimum Wage Rate for employees on an annual basis and shall make such adjustments in the County's pay plan to ensure the Minimum Wage Rate as stated herein is paid to all eligible employees. In the event of an economic downturn, it may be necessary to maintain the Living Wage Rate based on the previous year.

Section 7: ELECTED OFFICIALS COMPENSATION. Funding is provided for a 4.00% compensation adjustment for the members of the Board of Commissioners, the members of the Wake County Board of Education, the Register of Deeds, and the Sheriff effective July 1, 2021.

Adopted this the 7th day of June 2021.
