Wake County Board of Commissioners
PO Box 550
Raleigh, NC 27602

Dear Chairman Calabria and Commissioners:

Please accept this letter as my official request that you respectfully consider re-appointing myself, Betty Whitaker, to serve another three-year term on the Wake County Alcoholic Beverage Control Board. It is my understanding that my term is set to expire on July 31, 2021.

I was graciously appointed and served my first meeting with Wake County Alcoholic Beverage Control on September 23, 2015. Before joining this Board, I gained tremendous experience serving twenty-eight years on the Town of Rolesville Board of Commissioners. In these past six years, I have worked hard to assist in maintaining fair, equitable, and transparent standards within this organization. Along with my fellow Board members, we have kept Wake County Alcoholic Beverage Control a diverse employer striving to provide excellent customer service to the citizens.

I have personally strived to be a good steward of our revenues by returning maximum funds back to Wake County Government and incorporated municipalities. We have also focused on benefiting the health of our community by supplying supplemental grant money to non-profit organizations that research, educate, and treat those men and women with substance and alcohol abuse issues.

As our community grows in population, so does the challenges. I promise each and every one of you that I will continue to work hard to represent your goals and best interests on this Board. I would be honored to be re-appointed.

If you should have any questions, wish to know more about me, or simply desire to discuss this humble request further, do not hesitate to contact me at 919.556.5253

Sincerely,

Betty P. Whitaker
Board Member
