Good morning Commissioner Joyner,

My name is Toni Womack and I work in the office of the Wake County Board of Commissioners. I received an email from Chair Matt Calabria indicating that you have a recommendation for an appointment for the Wendell Planning Board ETJ seat, Ms. Emma Gardner.

We would be delighted to have Ms. Gardner be appointed to the Wendell Planning Board. The initial part of the Wake County appointment process is that Ms. Gardner would need to complete the Wake County Advisory Board application. If you can please contact Ms. Gardner and share this link with her so she can access the on-line application. [Wake County, North Carolina: Boards \(granicus.com\)](https://www.wakecounty.gov/granicus.com)

The next voting meeting of the Wake County Board of Commissioners is on Monday, October 4<sup>th</sup>; so if you can please ask Ms. Gardner to submit her application as soon as soon as possible, that would be greatly appreciated.

Please feel free to share my contact information with Ms. Gardner in the event there are questions.

Best regards,  
Toni

Commissioner,

Thanks for flagging this. I hope you've been well. By copy on this email, I'm asking our staff to take a look at this and see what, if anything, might be done. I expect we'll hear back early next week.

I'm also copying Vice Chair Adamson as the vice chair typically oversees the appointments process.

Best,  
Matt

Hey Chairman Calabria,

We have a planning board appointment for our ETJ spot. (Emma Gardner). Normally it would have been done in July but it was advertised twice.

She's been attending & was planning on being sworn in and serving at our Monday night meeting on the assumption that you guys would confirm her appointment at your 2:00 pm Monday meeting.

Is there anyway you guys could add that to your agenda? I sent Sig an email- but realized that just realized it wasn't on your agenda after sending it.

Any assistance would be greatly appreciated. My cell is below - (I must have an old number for you)

-Jason
