

Board of Commissioners Public Safety Committee Agenda

Monday, October 18, 2021 - 10:00 AM

Meeting Held Remotely

MEETING CALLED TO ORDER: Committee Chair Matt Calabria

I. Approval of the Minutes of the Public Safety Committee Meeting of August 23, 2021.

II. Advancing Pretrial Policy and Research Initiative

Kelli Braunbach, GSA Director and Lorrin Freeman, District Attorney

Stakeholders from the judicial system and County government have worked for several months studying potential enhancements to pretrial release services. The goals of this project include promoting community safety, keeping people in the community who are likely to succeed pretrial, and reducing the number of low-risk individuals detained in jail. Stakeholders will brief the Commissioners on research and concepts considered to date.

III. Update on EMS Service Demands

Dr. Jose Cabanas, Chief Medical Officer

Wake County EMS has experienced a significant increase in call demand in recent months. Staff will discuss short-term and long-term strategies implemented to respond to the recent surge in call volume and preparing the County for the expected long-term increases in demand.
