Wake County Commission for Women Realignment
That the Board of Commissioners:

- 1. Realign the mission of the Wake County Commission for Women to focus on board priorities such as issues facing women in vulnerable communities, health care, child care, affordable housing and issues that were identified within the recent report from the Task Force on Women and Employment; and**
- 2. Modify the composition and structure of the Wake County Commission for Women; and**
- 3. Accept applications for a more focused and issue-oriented Wake County Commission for Women**
